Ashburton New Zealand

Let us introduce ourselves, myself Raeleen and Sam are currently managing a 16-room motel in Ashburton New Zealand, we have been doing this since April 2023.

Prior to managing the motel, Sam worked as a structural engineer in Auckland, and I was working in an accounting firm in Auckland as a business administrator.

We moved from Australia to New Zealand 1 month before lockdown, to be closer to family. We then had to change our careers as the tourism industry was not a viable option.

In Australia I worked in Caravan parks, as customer support worker/ business administrator and trainer for over 25 years. Sam worked as a gaming manager in a golf club and had worked in hospitality for over 26 years.

Our skills combined make us a formidable team and we would be happy to discuss more with you.
